Dear Neighborhood Association President,

This is an exciting time to be a neighborhood leader in Fort Worth! There are many major issues facing our city and our neighborhoods. For the first time, the Fort Worth League of Neighborhood Associations will convene a summit of neighborhood association and homeowners association presidents from all across the city.

We want to hear about your top neighborhood issues so that we can begin to build a bigger consensus to advocate for neighborhood issues on an ongoing basis. We also want you to have the opportunity to meet other neighborhood leaders from your area and from around the city so that you can build relationships, share your insights about what works and what doesn't work, and find the points of our common neighborhood experiences.

We will compile the results of what you tell us and use the information to plan our 2008-09 programs as well as our advocacy agenda. In addition, this session will help all of us prepare for the input we want to give in the mayor's proposed "Let's Talk, Fort Worth" town hall meeting scheduled for later this year.

Please join us (or send one representative) to meet with us on:

**Thursday, April 17, 2008**

**7:00 p.m. – 9:00 p.m.**

**Botanic Garden Center 3220 Botanic Garden Blvd. Fort Worth, TX 76107**

We have enclosed a form to get you thinking about the issues you will bring to the Summit. Please return the form via fax to 817.332.4602 or e-mail to: [thrappmarianna@aol.com](mailto:thrappmarianna@aol.com) or mail: 1909 Alston Avenue, Fort Worth, TX 76110 by April 15.

We look forward to seeing you. Please get ready to share the biggest issues your neighborhood faces. We're ready to listen.

Sincerely,

*Brenda*
