Re: Redistricting

Dear Mayor Price and Council Members:

On September 1, 2011, the membership of the Fort Worth League of Neighborhoods voted overwhelmingly to support a 10-1 plan for City Council redistricting, providing for 10 single member districts and the mayoral at large position and to communicate that vote to you.

We appreciate your consideration of our position on the issue and look forward to the upcoming discussions and action on redistricting.

Sincerely,

Libby Willis

President
